## INTRODUCTION

The National Council for Tertiary Education (NCTE) was established by ACT 454 (1993). The Act among other things enjoins the Council to advise the Minister of Education on the development of tertiary education institutions in Ghana; recommend national standards and norms including standards and norms on staff, costs, accommodation and time utilisation, for approval of the Minister of Education; to monitor the implementation of any approved national standards and norms by the institutions; and to publish information on tertiary education in Ghana.

In an effort to make adequate and reliable data and information available for research, policy formulation and planning for tertiary education in Ghana, the NCTE collects, collates, analyses, and reports on data from all accredited Tertiary Education Institutions (TEIs) in Ghana.

The National Council for Tertiary Education (NCTE) was established by ACT 454 (1993). In an effort to make adequate and reliable data and information available for research, policy formulation and planning for tertiary education in Ghana, the NCTE collects, collates, analyses, and reports on data from all accredited Tertiary Education Institutions (TEIs) in Ghana.

This Summary of Basic Statistics focuses on the Public Colleges of Education for the 2017/2018 academic year and contains the analyses of raw data collected from the institutions as well as indicators computed for tertiary education in Ghana.

This report is a statistical summary of data collected from the Private tertiary education institutions for the 2017/18 academic year. It covers Seventy-Nine (79) institutions which submitted their students and staff data for analysis.

The source of reference is the National Council for Tertiary Education Norms for Universities. The norms are a policy benchmarks for monitoring the performance of tertiary education institutions and determining the resource requirements of the tertiary education institutions. It also meant to assist higher education institutions in planning and ensuring efficiency in their operations. This report is therefore to determine the extent to which the Private tertiary education institutions are complying with the norms.

The report covers all Forty-Six (46) accredited Public Colleges of Education as at January, 2017 and the report presents data on each institution in two (2) sections, i.e. Student and Staff.
