## POLICY ON MATURE STUDENTS' ENTRY REQUIREMENTS

### 1. Introduction

The Mature Students' Entry Avenues to tertiary education exist to provide opportunities for individuals who were unable to pursue higher education earlier in life. These pathways enable experienced adults to access tertiary education after spending a number of years in the workplace.

This policy outlines the eligibility requirements, admission processes, and compliance expectations for all tertiary education institutions.

### 2. Policy Objectives

The objectives of this policy are to:

1. Ensure transparent, fair, and consistent admission of mature applicants.
2. Maintain academic standards across institutions.
3. Regulate mature student intake to align with national tertiary education guidelines.

### 3. Admission Quota

- The number of mature applicants admitted in any given academic year **shall not exceed five percent (5%)** of the institution's total admissions for that year.

### 4. Eligibility Criteria for Mature Applicants

To qualify for consideration under the Mature Students' Entry route, an applicant must meet the following conditions:

### 5. Compliance and Enforcement

#### 5.1 Replacement of Previous Provision

This policy replaces Section 3.3.1(a) ix of the *Ghana Tertiary Education Policy*.

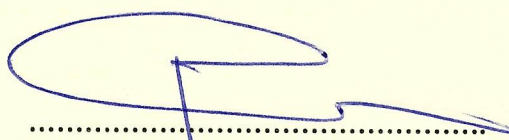

#### 5.2 Consequences of Non-Compliance

Failure by an institution to comply with this policy will result in:

1. **Withdrawal of all admitted applicants** who do not meet the requirements stated in this policy.
2. **Withdrawal of accreditation** for the programmes to which such applicants were admitted, **or** the application of other appropriate penalties as stipulated under **PART ONE** of the Tertiary Education Act, 2020 (Act 1023).

### 6. Effective Date

This policy shall take effect immediately upon approval and issuance by the appropriate regulatory authority
